1	27-06-2026	External attackers targeted the internal network of Hansa Research Group Private Limited's ('HRG') is a subsidiary of R K SWAMY Limited, resulting in the temporary unavailability of HRG's non critical-to-business application servers and encryption of a few our local storage units. The internal IT team immediately isolated the network by shutting down all active local devices to halt further activity by the threat actors. Business Continuity Execution: While Core servers and systems were not impacted they were moved to secure cloud environments. All business-critical systems were operational as usual on the same day A second attempt was detected on 6th July 2026. Due to enhanced defensive protocols implemented after the first event, the impact was completely neutralised and had no effect. The Company emphasises that HRG's operations remain unaffected and we continue to be able to provide service to all of our customers. A cyber security expert has also been appointed and the company remains committed to undertaking all measures recommended by the cybersecurity expert.
